

Year 1 Spellings for Autumn 1

Please find below a list of spelling words we would like your child to practise each week ready for their 'Spelling Quiz/ Test' the following week. To begin with, Year 1 children will start with 5 words to learn however after half term, this will increase to 10 spelling words.

The last two words are 'Common Exception Words', i.e. Words that can't be sounded out and so need to be learnt to spell as a whole word.

Please can we ask that your child does not practise their spellings in their school Spelling Book. At home, you might wish to use paper, a special book, a whiteboard, magnetic letters and/ or other ways to support your child in learning their spellings. Find a way that suits them. However, please note they will need to be able to write their spellings down when checked in school. It is good to practise the spellings in different orders as the words will be jumbled up when tested in school.
