

1-MINUTE MATHS APP

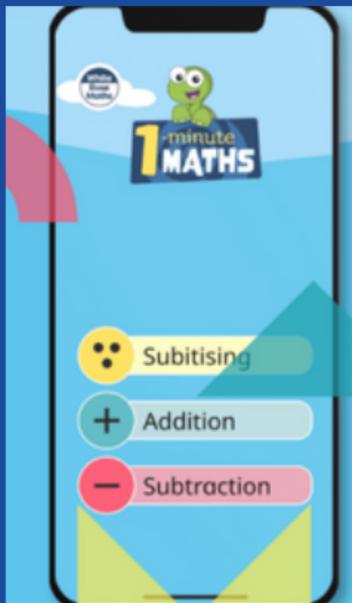

The White Rose 1-Minute Maths App is practice in basic number.

Having chosen a topic, (see next page for topics Year 1 and 2 children could do), each user answers a series of randomly generated question.

When the one minute's up, the questions are automatically marked and presented on a breakdown screen, giving instant feedback on how they've done. If they're struggling with a question, a 'Hint' button reformats the question.

Have a go!

Year 1

All of subitising activities - this is seeing a number and quickly identifying its value.

Addition - 1 - 6

11- 13

15

16
