FARNSFIELD ST MICHAEL'S	Learn and practise a variety of techniques eg. Printing	
	Use a variety of techniques, e.g. printing, dyeing, weaving and stitching to create different	
	textural effects.	
	Develop skills in stitching, cutting and joining.	
	Use more than one colour to layer in a print.	
	Make repeated patterns with precision.	
D&T	<u>Design</u>	
	Know that a design must meet a range of requirements.	
	Know that a design can be based upon research.	
	Describe the purpose of their products.	
	Indicate the design features of their products that will appeal to intended users.	
	Use computer-aided design, diagrams and annotated sketches to develop and communicate	
	their ideas.	
	Make design decisions that take account of the availability of resources.	
	Making	
	Select tools and equipment suitable for the task and explain their choice of tools and equipment	
	in relation to the skills and techniques they will be using.	
	Select materials and components suitable for the task, explain their choice of materials and	
	components according to functional properties and aesthetic qualities and formulate step-by-	
	step plans as a guide to making.	
	Measure, mark out, cut and shape materials and components and assemble, join and combine	
	materials and components with some accuracy.	
	Use a wider range of materials and components than KS1, including construction materials and	
	kits, textiles, food ingredients, mechanical components and electrical components.	
	<u>Evaluate</u>	
	Know that a design can be changed to improve it if the product were to be created again.	
	Evaluate existing products.	
	Identify the strengths and areas for development in their ideas and products and consider the	
	views of others, including intended users, to improve their work.	
	Use their design criteria to evaluate their completed products.	
	Understand how key events and individuals in design and technology have helped shape the	
	world.	
	<u>Technical knowledge</u>	
	Make cuts and holes accurately.	
	Use simple linkages to create movement.	
	Know that textiles can be joined in different ways.	
	Know that mistakes can be avoided by measuring carefully.	
	Know that pneumatics can be used to create movement.	
	Know that there are ways to join textiles in order to make the product strong.	
	Know that materials have both functional properties and aesthetic qualities	
ŊΓ	Use the correct technical vocabulary for the projects they are undertaking.

Use sequence, selection and repetition in programs; work with variables and various forms of input and output.

Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs.

Information Technology

Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.

Digital Literacy

Use technology safely, respectfully and responsibly; recognise acceptable/ unacceptable behaviour; identify a range of ways to report concern about content and contact.

Year 3

I can suggest ways to show love for others.

I can suggest ways to demonstrate loving others.

I can suggest something that I can do for another person.

I can describe how the person I helped felt.

I can describe how helping someone else made me feel.

I can explain how to respond in an emergency.

I can recognise and celebrate the impact kindness has on another person.

I can work together with others to complete a task.

I am learning how to listen well to one another and respect each other's views.

I can list some information that identifies me eg name, address.

I know why it is important to keep personal information private.

I can suggest ways I have shown love for others.

I can describe how caring for others makes me feel.

I can suggest ways I have shown love for others.

I can describe how caring for others makes me feel

Year 4

I can suggest ways to show love for others.

I can demonstrate ways to love others.

I am becoming more aware of my surroundings and the people around me by noticing differences.

I can make the link about being observant and being aware of those around us.

I can suggest how a person is feeling from their expression and body language.

I can suggest who the unseen heroes of my community are.

I can honour those heroes by writing a thank you note.

I can suggest times when I need help from others.

I can demonstrate good teamwork skills (clear communication, listening and negotiating).

I can suggest ways to use my technology devices responsibly.

I can suggest ways that I have shown love for others.

I can describe how caring for others makes people feel.
