

# Years 5 and 6 Spring 1 Newsletter

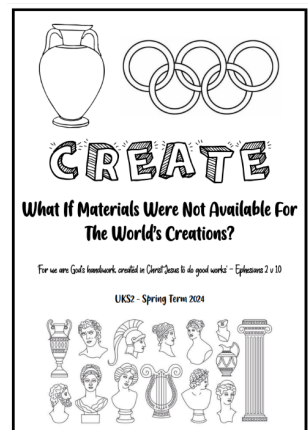

12.01.2024

FARNFIELD ST MICHAEL'S C OF E PRIMARY SCHOOL

## We have sprung into 2024!

Welcome back to St Michael's for the Spring Term! We are really looking forward to our Create topic this term, *What if materials were not available for the world's creations?*, and all this term's learning.

### Spring Term Curriculum Overview

Outlined below is a list of what's in store for Years 5/6 in the next term:

- English: Narrative, Biography, Diary.
- Maths Year 5: Formal written methods for multiplication, formal written method for division, Fractions, Decimals, Percentages, and Measures.
- Maths Year 6: Measures, Geometry – Position and direction and Properties of shape, Algebra, Statistics, Ratio and Proportion.
- Discover: What if materials were not available for the world's creations?
- Science: Properties and Changes of Materials
- RE: What can we learn from great leaders and inspiring people?, Salvation

### Spring Term Key Dates

This term, we have a graffiti artist coming to visit us on the 5th February — a great new experience for all our UKS2 children.

Our Year 5s are heading away on their residential to Boggle Hole from the 4th-6th March — we are really looking forward to all the activities we have planned.

Finally, both year groups will be taking part in the DAaRT (Drugs, Alcohol and Resilience Training) programme, which will end with a graduation on Tuesday 26th March at 2:30pm.

Thank you for your continuing support. As always if you have any questions or queries please do not hesitate to telephone or call in after school to make a convenient appointment.

Best wishes

Miss Lewis, Mr Marshall, Mrs Swales and Mrs Weaver
